

PACK 527

COMMITTEE JOB DESCRIPTION

Friends of Scouting (FOS) Chair

Our pack belongs to the West Los Angeles County Council. Packs within the council are expected to participate in certain council events. One of the expectations is that every pack has a Friends of Scouting Chair. The FOS Chair is a liaison between the pack and the council.

Approximately 22% of the council's operating funding is raised annually through contributions. It costs \$260 annually to provide scouting for every boy. The money raised by the FOS Chair goes toward basics like forms, brochures, etc.

Friends of Scouting is a direct campaign, seeking the support of families, service organizations and businesses.

Here is a brief overview of duties:

- Contact the council for a complete list of ways you can help to get the word out to pack families about how they can support scouting.
- Make announcements at pack meetings to educate and remind people that they can support scouting at the council level with their donations.
- Provide donation forms.
- Connect with a council representative and make arrangements for them to visit our pack one time per year (usually at Advancement).
- Time commitment: minimal.

Be a friend to scouting, and join Pack 527's committee today!
